

What's Your Responsibility?

The health care law does not require your business to provide health benefits to your workers, but larger businesses could be subject to fees starting in 2015 if affordable coverage is not available. This flowchart shows how employer responsibility will work.

¿Cuál es su responsabilidad?

La ley de salud no exige que las empresas ofrezcan beneficios de salud a sus empleados, pero a partir del 2015 las empresas más grandes podrían enfrentar multas si no ofrecen cobertura asequible. A continuación se explica la responsabilidad del empleador.
